The Celebration Flow

A sample flow for your celebration.

We adjust the pace and start times to suit your family's comfort.

11:00 AM | Curbside Service

We pick you up directly from your home in our luxury vehicle. As we drive to Wine Country, your host shares local stories to entertain the group.

12:00 PM | A Warm Welcome

We arrive at a winery selected for its relaxed pace and accessible seating. We have pre-paid the tasting fees, so your guests simply walk in and are handed a glass.

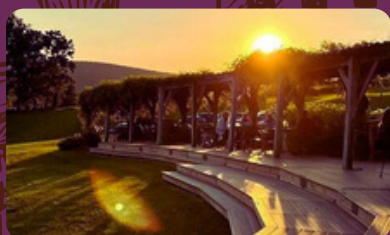

1:30 PM | The Celebration Feast

It's time for lunch. We have set up a reserved table with the best views. This is the moment for speeches, gifts, or cutting a cake (which we can help coordinate)

3:00 PM | Scenic Views & Relaxation

We move to a second venue, perhaps one with a beautiful patio or sunset view. Guests can sit, sip, and catch up with family members they haven't seen in a while.

5:00 PM | The Easy Journey Home

We end the day with a pleasant ride home. You enjoy a safe, scenic drive back, dropping you off right at your doorstep with wonderful new memories.

We returned as a group after our first tour last year and this was just as good as we remembered! Great to see some local small wineries didn't feel rushed or pressured at any point. A fun filled day with plenty of wine!

December 2025

I cannot recommend Vineyard Voyages enough. The planning process was seamless (and they were very patient with my multitude of emails) and the tour itself was spectacular. I'll continue to sing their praises to anyone that will listen.
